

The Dutch Accreditation Council RvA, by law appointed as the national accreditation body for The Netherlands, hereby declares that accreditation has been granted to:

## **Elsinga Beleidsplanning en Innovatie B.V.**

### **Ermelo**

The organisation has demonstrated to be able to perform inspections, as type C inspection body, in a competent, consistent and independent way.

This accreditation is based on an assessment against the requirements as laid down in ISO/IEC 17020:2012.

The accreditation covers the activities as specified in the authorized annex bearing the registration number.

The accreditation is valid provided that the organisation continues to meet the requirements.

The accreditation with registration number:

**I 245**

is granted on 25 June 2014

This declaration is valid until

**1 October 2018**

The accreditation has been granted for the first time on

**29 September 2010**

The Chief Executive

Ir. J.C. van der Poel

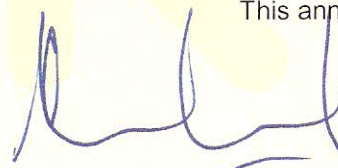

of **Elsinga Beleidsplanning en Innovatie B.V.**  
**Ermelo**

This annex is valid from: **25-06-2014** to **01-10-2018**

Replaces annex dated: **05-07-2013**

No.	Field of inspection	Type and Range of Inspection	Methods and Procedures
1	Compost, manure, biowaste	Sampling for microbial research on <i>Salmonella</i> , <i>Enterococcaceae</i> and <i>E. coli</i> , evaluation of the results compared with the standards and reporting the results of inspection	Manual scope 1 (In case of plants treating biowaste in accordance with Dutch guidance certified compost modules. For other plants sampling according to own method)
2	Compost, manure, biowaste	Spiking of material with microbial culture, bacterial research on <i>Enterococcaceae</i> and evaluation of the results compared with the standards and reporting the results of inspection	Manual scope 2 (According to NTA 8777)

This annex has been approved by:

Ir. J.C. van der Poel  
Chief Executive
